That's why YOU CAN SMOKE THEM MORNING, NOON and NIGHT

No longer need you limit the number of your daily smokes for fear of exceeding the limit in satisfaction and enjoyment. Here's a cigarette you can smoke from sun-up to bed-time, without a penalty to your palate or pleasure. Smoke as early as you like :.. and as many as you like ... you'll like the last cigarette of the day as well as the first. That's the magic of OLD GOLD-a new blend, mellowed by a new method-the smoothest cigarette in all history.

The Product of P. LORILLARD CO., Established 1760
